For only a small additional charge per pet per month, you can include Accidental Injury cover. This provides cover for the cost of treating accidental injuries up to £2,500 per incident, subject to an excess of £75.

Total claims in any 12-month period may not exceed £5,000. The cover is for treatment by our practice. However, if our practice is closed when immediate treatment is needed, or you and your pet are away from home (anywhere in the UK), then cover is extended to include the nearest available vet. Further details of cover are available from the practice.

EXTENDED PAYMENT SCHEME

For any treatments over £200, pet owners will have the facility to spread the payment over a number of months. Please note, our normal discount is not available if the Extended Payment facility is utilised. A deposit may be required.

VETERINARY EMERGENCIES

In case of an emergency during practice hours, please contact the practice immediately. We will always endeavour to see a pet in pain on the same day.

At **Cameron & Greig Veterinary Surgeons** we believe in being there for you and your pet, 24 hours a day, 365 days a year. You will **NOT** be put through to a vet at an external company that is not familiar with you or your pet. This means that continuous care can be given to your pet by people you know and who know your pet. We will have all clinical history immediately available at all times. You will always be seen by a **C&G Veterinary Surgeon** at our Milnathort branch.

PREVENTION IS BETTER THAN CURE!

Our practice healthcare plan provides pet owners with the support they need to help their pets stay fit and healthy.

Regular visits mean that we have the opportunity to administer necessary vaccinations and dispense accurate and up-to-date worming and flea treatments.

In addition, an overall clinical examination gives us the opportunity to carefully monitor the general health of your pet and offer advice, support and treatment planning, which in many cases may prevent problems arising in the future.

Furthermore, the cost of maintaining the good general health of your pets is distributed throughout the year by making monthly Direct Debit payments – it couldn't be simpler.

Whilst spreading the cost of routine treatments, all members then qualify for additional discounts on other items in the practice.

Pets in the **Cameron & Greig Pet Health Plan** can be covered for Accidental Injury up to £2,500 per incident up to a total of £5,000 in any 12-month period (an excess applies). This option is available for only a small additional charge per pet, per month.
