VETERINARY EMERGENCIES

In case of an emergency during practice hours, please contact the practice immediately. We will always endeavour to see a pet in pain on the same day.

At **Cameron & Greig Veterinary Surgeons** we believe in being there for you and your pet, 24 hours a day, 365 days a year. You will **NOT** be put through to a vet at an external company that is not familiar with you or your pet. This means that continuous care can be given to your pet by people you know and who know your pet. We will have all clinical history immediately available at all times. You will always be seen by a **C&G Veterinary Surgeon** at our Milnathort branch.

CAMERON & GREIG PET HEALTH PLAN

BUDGET MONTHLY FOR YOUR
PET'S HEALTH

WELCOME

Whether you are a new or an existing client, we would like to thank you for choosing **Cameron & Greig Veterinary Surgeons**. Our aim is to provide the best possible health care for your pets in a pleasant, friendly environment.

We are committed to keeping abreast of the latest developments in modern veterinary practice – providing high-quality treatment at sensible prices. To enable pet owners to spread the cost of routine treatment, we have designed our own practice membership scheme – the **Cameron & Greig Pet Health Plan**.

THE EASY WAY TO LOOK AFTER YOUR PET'S HEALTH

OUR PET HEALTH PLAN OFFERS:

✓	Regular checks and maintenance of good general health for your pet
✓	Top quality licensed medication
✓	Convenient monthly payments for routine services
✓	Discounts on additional services

PREVENTION IS BETTER THAN CURE!

Our practice healthcare plan provides pet owners with the support they need to help their pets stay fit and healthy.

Regular visits mean that we have the opportunity to administer necessary vaccinations and dispense accurate and up-to-date worming and flea treatments.

In addition, an overall clinical examination gives us the opportunity to carefully monitor the general health of your pet and offer advice, support and treatment planning, which in many cases may prevent problems arising in the future.

Furthermore, the cost of maintaining the good general health of your pets is distributed throughout the year by making monthly Direct Debit payments – it couldn't be simpler.

Whilst spreading the cost of routine treatments, all members then qualify for additional discounts on other items in the practice.

THE PLAN PROVIDES YOUR PET WITH:

- ✓ Two complete health check consultations to include:
 - General health
 - Ears
 - Eyes
 - Skin and coat
 - Heart and lungs
 - Weight
 - Claws
